I am writing regarding my property, 4368 North 42nd Place, Milwaukee, WI 53216. A tree that fell into my yard, August 28th, 2024. The item number processed, #15888224. This is the third time this year I have experienced damage caused by a city large tree branch that fell into my yard and partially into my neighbor's yard. Previously damages occurred from a city tree and it happened again, please address this matter of this tree.

I am not happy as a resident of owning my own home. This is considered a safety issue for the whole community every time it rains it creates damages. My neighbor, myself, or husband could have gotten hurt.

There is a record from last year. I have not had the funding to get it fixed. I have proof that when I brought my home it was not damaged. This has been an ongoing issue. I take pride as a homeowner. I am asking that this tree be cut down and also my fence be repaired. I am not asking for a new fence, only regards to the damages caused to my fence.

Thank you,

Charlene Wright
