Zoning and Neighborhood Development
City of Milwaukee
200 East Wells Street
Milwaukee, WI 53202

Dear Alderman Johnson-Odom:

On behalf of my client, Finlay Properties, I am requesting that you hold over Item 15 on the October 7, 2003 agenda (Amendment to the Detailed Planned Development for Meeting House Properties) until the October 28th meeting.

The developer has been meeting with neighbors and working to revise the plans for the project to accommodate their concerns. It was anticipated that by today, all substantive issues would be resolved and new plans drawn so that all parties could be confident of the scope of the agreement. We have made significant progress but need a few additional days to finalize an agreement and create plans consistent therewith.

We look forward to presenting a development plan acceptable to all interested parties at the October 21, 2003 meeting.

If you have any questions or comments about the above request, please do not hesitate to contact me at (414) 270-4112.

Yours truly,

Siegel-Gallagher ONCOR International
