Re: Reasons for Excused Absences

During my initial tenure I am listed as having 13 excused absences.

I take my Board responsibilities seriously. The following are the reasons for the absences:

- **Medical reasons: 10 absences. I had serious illnesses, surgeries and post-surgical chemotherapy during 2014 and 2015**
- **Finance & Personnel Meeting conflict: 1 absence (January 13, 2016)**
- **Interest Arbitration Hearing Appearance: 1 absence (January 14, 2015)**
- **Competing work-related absence: 1 absence (May 19, 2014)**

Thank you for your consideration.
