RE: "Title Only" Grant
Resolution

Dear Mr. Zielinski:

This is to provide you with background information on the grant resolution that the Health Department would like to be introduced:

Breast and Cervical Cancer Screening Grant - This is a continuing grant funded by the State of Wisconsin Division of Health and Family Services. The goal of this grant is to reduce mortality from breast and cervical cancer by increasing the number of low-income and under-served women 50 years of age and older who are routinely screened, and by improving the quality of screening, referral, and follow-up.

As always, thank you for your consideration of this "title only" resolution. The file will be filled as soon as possible.

Sincerely,

Janet Nell
Administrative Specialist-Sr.
