RE: Administrative Ordinance change

In the Salary Ordinance, under Pay Range 804, a footnote pertaining to the title "Police Alarm Operator" reads as follows: "1/ Positions occupied by Police Alarm Operator to be reclassified to Police Dispatcher upon becoming vacant." This footnote was originally contained in a classification report dated January 21, 1999, which was approved by the Fire and Police Commission on January 21, 1999, and by the Finance Committee on February 3, 1999 (File #980553), passed by the Common Council on February 9, 1999 (File #981305), and still remains in effect in the 2002 Salary Ordinance.

The attached letter from the Fire and Police Commission requests that one position of the Police Alarm Operator be reclassified to the civilian position of Police Dispatcher. Since the procedure to reclassify vacant positions to Police Dispatcher was recommended by the Department of Employee Relations, approved by the Fire and Police Commission and authorized in the Salary Ordinance by Common Council action, we are requesting that the Positions Ordinance amendment necessary to implement the request classification change for this recent vacancy (and future vacancies) be handled administratively.

In order to implement this change, the Positions Ordinance needs to be amended as follows:

In the Police Department, Administration/Services Decision Unit, Technical Services Bureau, Communications Operations Division, delete one position of "Police Alarm Operator," and add one position of "Police Dispatcher."
