Community Enterprises	\$40,000	No	48.1	38.6	86.7	\$40,000	Currently located in NSP 4; Agency was originator of first NSP plan and led the strategic planning process for area residents. Needs to provide more detail on collaborations with MPD Districts 5 & 7. Needs to indicate how many clean-ups will be conducted.
Harambee Ombudsman Project	\$40,000	Yes (Area 6)	25.7	34.4	60.1	\$0	Not located in NSP 4. Currently funded for same activity in NSP Area 6. No indication in proposal as to who will perform the activity. Currently one staff person does the activity for NSP 6; doubtful the same person can do the activity in two separate areas. Points deducted for outreach; activity/goals very weak descriptions; did not include all components of rfp; method weak(no detail provided); fin/org/man. not addressed;
Northwestside CDC	\$40,000	No	44.3	36.5	80.8	\$0	Not located in NSP 4. Activity will utilize Community Partners for door-to-door outreach. Not clear on who will do follow-up from CP referrals. Appears agency is piggybacking on other entities rather than performing the activity. Points off: activity description; method; outcomes.
