- A. **Official Rates:** Hourly, biweekly and annual rates of pay are listed in all sections of this ordinance. The official rate of pay is noted within each respective pay range. Payrolls for positions with an official hourly rate shall be based upon the number of hours employees are actually employed.
- B. **Intent:** This ordinance is intended to establish the policies and procedures for administering all pay and pay administration practices for positions in the City of Milwaukee. It is intended that all officers and employees shall fully cooperate with the Department of Employee Relations in the administration of the Salary Ordinance. The Department of Employee Relations is authorized to develop procedures and guidelines necessary to carry out the intent of this ordinance. The provisions of this ordinance are not intended and shall not be construed to be in conflict with the state statutes regarding collective bargaining or any provisions of collective bargaining agreements in full force and effect.
- C. **Equal Opportunity:** Principles of merit and equity shall prevail in all aspects of the administration of this Ordinance. As specified in Ch. 109 of the Milwaukee Code of Ordinances, it is unlawful to discriminate because of sex, race, religion, color, national origin or ancestry, age, disability, lawful source of income, marital status, sexual orientation, gender identity or expression, past or present membership in the military service, familial status, or an individual's affiliation with, or perceived affiliation with any of these categories in regard to job posting, hiring, training, tenure, promotion, compensation, or enforcement of any rule or employment policy and other terms and conditions of employment.
- D. **Correction of Obvious Errors, Omissions or Inequities:** In the event that a transaction made pursuant to this ordinance results in an obvious misapplication of its intent, the Director of Employee Relations, with the approval of the Finance and Personnel Committee Chair, is authorized to make equity adjustments or corrections.

- E. Budgeted Amount for a Position Versus Salary Ordinance:** In case of a variation between the amount of money set up in the budget for a particular position and the amount an incumbent of a position would normally receive under the terms of this ordinance, the employee shall be paid according to the terms of this ordinance.

### **SECTION 3: SALARY AT TIME OF APPOINTMENT**

Appointment to City positions shall be at the minimum rate in the range except as otherwise authorized. Department heads are directed insofar as possible to make appointments effective at the beginning of a biweekly pay period. The Department of Employee Relations will determine the rates of pay for new appointees who are not residents of the City of Milwaukee and for employees who become non-residents consistent with Common Council Files #121688 and #140385.

- A. Recruitment Above the Minimum:** Except as provided elsewhere, to recruit qualified persons, appointment of a person to a position may be at a rate above the minimum rate within the established pay range provided it is determined by the Common Council that such rate is necessary and provided there is a footnote authorizing it. Otherwise a recruitment study request must be made to the Department of Employee Relations to determine the appropriate pay range and recruitment rate necessary to recruit qualified candidates.
- B. Recruitment for Officials and Administrators (Section I) and Professionals (Section II):** In the event it becomes necessary to recruit at a rate above the minimum for positions classified as Officials and Administrators or Professionals, recruitment may be authorized at a rate up to 60% above the minimum of the pay range with the approval of the Department of Employee Relations and the Chair of the Committee on Finance and Personnel. A listing of appointments made pursuant to this provision shall be communicated to the Committee on Finance and Personnel.
- C. Hourly Employees – Job Change:** Whenever an employee in a position compensated on an hourly basis is appointed, transferred, or reinstated to a position with a salary that is determined under this Ordinance, the amount of earnings in the twelve month period immediately preceding such appointment, transfer, or reinstatement shall be calculated. The rate of pay in the new position shall represent the equivalent biweekly rate calculated under this provision.
- D. Part-time Service:** Service of a part-time nature shall carry pro rata compensation. Such part-time service shall be treated as proportionately fractional for determining the number of incumbents allowed in any position. Where employment in any position is on a part-time basis the calculation of the pro rata compensation shall be made by the Comptroller.

### **SECTION 4: SALARY ADVANCEMENT AND SALARY ANNIVERSARY DATES**

Salary advancement above the rate of initial appointment shall be as authorized in this Ordinance. Salary advancement in this section refers to pay progression practices within a pay range. Some City Departments are authorized to implement salary adjustments for employees in specific employee groups based on employees meeting core competencies, certification credentials and/or performance standards per approved Career Ladders effective Pay Period 2, 2012 or later.

Except for practices stemming from labor bargaining agreements in full force and effect or provisions approved in conjunction with the implementation of Career Ladders approved by Common Council action, salary advancement practices in 2018 will fall under one of the following categories:

Group A

Employees holding positions in one of the sections identified below and who are in “good standing” as defined in guidelines developed and administered by DER.

Section 3 - Technicians

Section 5 - Paraprofessionals

Section 6 - Administrative Support

Section 7 - Skilled Craft

Section 8 - Service and Maintenance

Group B

Employees holding positions in one of the sections identified below and who, based on merit principles, achieve an overall minimum performance rating of “meets performance expectations”, per guidelines developed and administered by DER.

Section 1 - Officials and Administrators

Section 2 - Professionals

Section 4 - Protective Service (management sworn)

**A. Amount of Salary Adjustments:** In 2018, salary adjustments for eligible employees will be as follows:

Group A

Eligible employees shall receive a salary adjustment of 2% of the employee’s biweekly rate of pay effective on the employee’s salary anniversary date.

Group B

Eligible employees shall receive a salary adjustment based on their overall performance rating as specified below under a performance merit plan established by DER.

- 2% of the midpoint of the pay range the position is assigned to when the employee receives an overall rating of “meets performance expectations”, or
- 3% of the midpoint of the pay range the position is assigned to when the employee receives an overall rating of “often exceeds performance expectations” or for Legislative Assistants in the Common Council - City Clerk’s Office provided they are otherwise eligible, or
- 4% of the midpoint of the pay range the position is assigned to when the employee receives an overall rating of “consistently exceeds performance expectations.”

Increases granted under this section shall be base building up to the maximum of the pay range. Any salary adjustment granted to employees near or at the top of the pay range will be capped by the pay range maximum. Any excess adjustment due to the employee will be awarded via a non-pensionable lump sum payment consistent with guidelines developed and administered by DER. Employees who are above the maximum of their pay range as a result of the pension offset authorized by Common Council File #110740 shall be eligible to receive such non-pensionable, lump sum payments provided that they meet all other requirements and conditions.

**B. Salary Anniversary Dates and Timing of Salary Adjustments:** A determination regarding an employee's eligibility for a salary adjustment will be made near or on the employee's salary anniversary date. For Group A employees, the salary adjustment resulting from that process will be effective the pay period of the employee's salary anniversary date. Salary adjustments for Group B eligible employees will be effective Pay Period 20, 2018 or on their anniversary date if it occurs after Pay Period 20. Lump sum payments due to eligible employees will be paid in accordance with guidelines developed and administered by DER.

An employee's original salary anniversary date is based on 26 pay periods after appointment. A new salary anniversary date is established upon promotion or demotion. A salary anniversary date shall be adjusted for unpaid time off.

**C. Eligibility Considerations:** An employee's eligibility for salary advancement after the initial appointment or promotion is contingent upon the completion of 26 biweekly pay periods of active service. To be eligible for salary adjustments, non-probationary employees in Group A must be in good standing as documented in an "Employee Assessment" form to be completed by their supervisor. Employees who are subject of a performance improvement plan (PIP) or have received discipline during the 26 pay periods immediately preceding their anniversary date shall be ineligible for a salary adjustment.

Non-probationary employees in Group B must receive a minimum "meets performance expectations" rating as part of a performance merit plan established by DER. Employees who are under a performance improvement plan (PIP) or have received discipline during the 26 pay periods immediately preceding their salary anniversary date shall be ineligible for an adjustment.

The Department of Employee Relations shall develop guidelines and procedures to administer pay progression practices authorized in this section, including establishing administrative review procedures for non-probationary employees who are deemed ineligible to receive a salary adjustment.

**D. Funding:** Salary increases shall be limited to the funding allocation established by the Budget and Management Division for each department.

**E. Exceptions and Exclusions:** The following positions are not eligible for salary adjustments established under this section:

- 1) Positions in approved Career Ladders - salary adjustments or advancement within a career ladder, including lump sum payments, shall be consistent with the guidelines established by DER for the Career Ladders.
- 2) Assistant City Attorney positions in the City Attorney's Office - incumbents who are subject to pay progression practices per an approved performance merit plan are subject to the conditions and restrictions of that plan. The City Attorney is authorized to create a performance merit pay with salary adjustments that shall not exceed 4% of an eligible employee's salary. Salary adjustments for eligible employees shall be contingent upon the availability of funds within the City Attorney's Office budget as determined by the Budget and Management Analysis Division.
- 3) Positions in the Employee Retirement System with a footnote authorizing their compensation to be at any rate in the pay range upon approval of the Annuity and Pension Board.
- 4) Sworn Represented positions in SECTION 4 - Protective Services

- 5) Positions in SECTION 9 - Hourly, Part-time, Intermittent.
- 6) Positions in SECTION 10 - Boards and Commissions.
- 7) Positions in SECTION 11 - Elected Officials.

## SECTION 5: SPECIAL PAY PRACTICES

**A. Promotions, Reclassifications, and Reallocations:** Promotion after a reclassification (title and pay range change), promotions after under-fill (appointment at a lower level than that authorized in the Positions Ordinance), and promotion after reallocation (position is assigned to a different existing pay range) shall be at 5% above the rate received prior to the promotion, or the minimum of the new pay range, or the footnoted minimum recruitment rate whichever is greatest. When an existing pay range is restructured based on labor market considerations as determined by DER, the employee will retain his/her rate of pay unless it is below the minimum of the new pay range, or a footnoted rate, when applicable. Appointment to a position in a pay range with a lower maximum rate but with a higher minimum rate may be considered a promotion for pay administration purposes as determined by Employee Relations.

Effective Pay Period 1, 2016 (December 20, 2015) A promotion into positions classified as Officials and Administrators in Pay Ranges 1AX to 1GX, positions classified as Professional in Pay Ranges 2AN to 2JN and 2EX to 2KX, or positions in an equivalent non-represented Pay Range in Section 4 - Protective Services, Pay Range 4MX, shall be at 7% above the rate received prior to the promotion, or the minimum of the new pay range, or the footnoted minimum recruitment rate, whichever is greatest.

Effective Pay Period 1, 2016 (December 20, 2015) A promotion into positions classified as Officials and Administrators in Pay Ranges 1HX to 1PX, positions classified as Professional in Pay Ranges 2LX to 2QX, or positions in equivalent non-represented Pay Ranges in Section 4 - Protective Services, Pay Ranges 4OX, and 4QX to 4SX, shall be at 10% above the rate received prior to the promotion, or the minimum of the new pay range, or the footnoted minimum recruitment rate, whichever is greatest.

The Department of Employee Relations shall certify and authorize the salary rates after promotions. In calculating the promotion rate, all base wages and applicable supplemental pay practices as determined by the Department of Employee Relations shall be considered. At no time shall the rate after promotion exceed the maximum of the range unless otherwise authorized by the Pension Offset Guidelines developed by the Department of Employee Relations to implement Common Council File #140856.

Effective Pay Period 18 (August 27, 2017) an employee given a promotional emergency or temporary appointment to a title in Section 3, 5, 6, 7 or 8 of the Salary Ordinance shall receive a 3% increase above the rate received prior to the promotion, or the minimum of the new pay range, or the footnoted minimum recruitment rate, whichever is greatest.

**B. Salary Anniversary Date upon Promotion, Reclassification, or Reallocation:** All employees, with the exception of sworn Fire or Police employees will receive a new salary anniversary date when promoted, reclassified, or reallocated to a higher-level position, except that adjustments will be made

for time off the payroll or deferred salary increments. Sworn Fire or Police employees not at the maximum of their pay range will retain their salary anniversary date when they are promoted or reallocated to a higher level pay range.

- C. Pay Equity Adjustments:** In order to establish flexibility to address internal equity problems, the Department of Employee Relations in consultation with the Budget and Management Division is authorized to recommend pay equity salary adjustments at the request of appointing authorities for employees holding positions in the Officials and Administrators (Section 1), Professionals (Section 2), Technicians (Section 3), Protective Service Workers (Section 4) with the exception of represented sworn employees, Paraprofessionals (Section 5), Administrative Support (Section 6), Skilled Craft (Section 7), and Service and Maintenance (Section 8). Such adjustments shall be approved by the Chair of the Finance and Personnel Committee.

Equity adjustments are limited to no more than 10% of the employee's current salary. They may be requested when an eligible non-probationary employee is being compensated at a rate of pay that is below the rate of a newer employee with less experience in the same classification or performing similar work. Both employees must be performing the work at the same level of proficiency. The adjustment shall not exceed the rate of pay of the new employee, must be approved prospectively, and must not exceed the maximum of the range. The adjustment shall not create pay compression problems within the work unit and must be funded via departmental budgets.

- D. Professional Development Awards:** Employees holding positions classified as Officials and Administrators (Section 1), Professional (Section 2), and non-represented sworn position under Section 4, Protective Service Workers, who attain a professional degree, designation or certification that is not a minimum requirement of the job but that is related to the mission, goals, and objectives of the department may be awarded one non-pensionable, non-base building, lump sum award of \$700 each year as requested by the appointing authority and approved by the Department of Employee Relations. This provision does not apply to employees receiving additional compensation for a degree, a professional designation or certification otherwise authorized under Part I of this Ordinance or comparable provision under Chapter 350 of the Milwaukee Code of Ordinances. This provision does not apply to employees who are part of an approved Career Ladder.

- E. Transfers:** City Departments may request a 3% salary adjustment for employees voluntarily transferring to positions allocated to Officials and Administrators (Section 1), Professionals (Section 2), Technicians (Section 3), Paraprofessionals (Section 5), Administrative Support (Section 6), Skilled (Craft Section 7), Service and Maintenance (Section 8) subject to approval of the Department of Employee Relations and the Chair of the Committee on Finance and Personnel. Transfers under this section are defined as the appointment to a position within the same pay range or to a pay range with the same rates of pay. Employees receiving a 3% salary adjustment under this provision shall receive a new salary anniversary date. The salary of an employee who voluntarily transfers back to the position originally held will be decreased by 3%. This provision shall only apply to voluntary transfers within a department to a different classification or the same classification with significantly different responsibilities or voluntary transfers between departments into the same or different classification as defined above.

- F.** An employee in a position requiring a Commercial Driver's License (CDL) who temporarily loses his or her CDL due to a non-commercial motor vehicle conviction or an off-duty commercial vehicle conviction shall have his or her pay reduced by 4% for the duration of the CDL suspension beginning on the day the CDL is officially suspended.

- G.** Effective Pay Period 4, 2015 (February 1, 2015) general city employees enrolled as members of the Employees' Retirement System prior to January 1, 2014, and who are initially required to contribute 5.5% to their earnable compensation to the Employees' Retirement System as a result of Common Council File #110740, shall be eligible for a salary adjustment equivalent to 3.9% of the base rate that was in effect at the end of Pay Period 3, 2015, except as provided under subsection (H).
