To the Honorable, the Common Council

Dear Members:

Re: Common Council File 030595

Attached are written objections to the recommendation of the Utilities and Licenses Committee to grant, with a 10-day suspension based upon neighborhood objection, the Class "A" Malt renewal application of Anoopinder Dhillon for "L'il General" at 233 W. Center St. in the 6th Aldermanic District.

This matter will be heard by the full Council at its December 19, 2003 meeting. Pursuant to City Ordinances, a roll call vote will be taken to confirm that all members have read the attached objections.

Respectfully,

Appeal for the decision by the committee for Renewal of Malt "A" license at 233 W Center St, Milwaukee.

Due to the following facts the decision should be reconsidered.

- ① We have doubled our effort to clean the lot for the last two months.
- ② We have talked to our neighbour-hood business eg: Post office and check-cashing place to stop their customers to park and litre in our lot.
- ③ We have talked to Police Captain MR Michel Jones of 5<sup>TH</sup> district to send his squad-cars more often and at random pace.
- ④ The remark 5(B) "There is litre in the area even several blocks away caused by patrons of this premises" is totally untrue.
