Please provide the following information:

1. Description of Grant Project/Program (Include Target Locations and Populations):

Due to the large scale of networks that extend past state and international borders, the need for coordination of state and local governments along with federal partners is crucial to combat drug trafficking. The funds for this grant will be utilized to partially fund salaries for one Police Officer, one Lieutenant, and one Detective assigned to MPD for multi-jurisdictional drug task forces in Wisconsin for the purpose of enhancing interagency coordination, sharing intelligence, and facilitating multi-jurisdictional investigations focused on drugs and supplementary criminal investigations.

2. Relationship to City-wide Strategic Goals and Departmental Objectives:

The MMDEG aligns with the city-wide strategy to reduce crime and enhance quality of life by reducing the volume of controlled substances in the Milwaukee area.

3. Need for Grant Funds and Impact on Other Departmental Operations (Applies only to Programs):

N/A

4. Results Measurement/Progress Report (Applies only to Programs):

- Identify and target major drug trafficking and criminal organizations.
- Utilize the skills of multiple agencies at various levels of government to interrupt supply chain of drugs through co-located Strike Forces.
- Coordinate nationwide investigations to dismantle criminal enterprises through the creation of comprehensive databases and information sharing.
- Remain the driving force behind the efforts to target Transitional Organized Crime (TOC), which often involves large networks of international drug trafficking and criminal activity.

Effectiveness of this mission will be measured by the amount of search warrants executed and quantity of drugs seized.

5. Grant Period:

January 1, 2018—December 31, 2018

6. Provide a List of Subgrantees:
