To whom this may concern-

I'm writing on behalf of Mr. Devon Reid, the proprietor of Junior's Bar & Grill located at 5409 N. Green Bay Ave in Milwaukee WI.

I was recently informed that some nearby residents are attempting to have Mr. Reid's establishment shut down. While I certainly respect their rights in this matter, I'm not at all convinced that Mr. Reid is in any way deserving of this.

I've known Devon for over 10 years, and have been an occasional patron of his bar. The atmosphere is always festive, and people really enjoy themselves. Devon is a gracious host, and definitely runs his business in a very professional manner.

As such, I would like to offer my personal endorsement of Mr. Reid and hope that he will be allowed to maintain his livelihood as well as provide a safe, enjoyable place for Milwaukeeans to socialize.
