Hello Milwaukee HPC,

I'm the northern neighbor of 1843 N. Palmer. I'd like to support Mr. AJ Cihla's request to erect an alley garage and rebuild the missing porches at 1843 N. Palmer St. I've met Mr. Cihla and I'm very impressed by his passion for architecture, history, and detail while restoring the house and making it habitable after nearly 20 years of vacancy.

As a Brewers Hill resident since 2004, I am eager to finally see someone maintain and restore that property to its fullest potential.

Thank you,
