RE: Ct File NO 1030-2015-2049

To whom this may concern

I am appealing this decision
my garage was damaged I believe in Aug.
I talked to Kai Wilson - she said the
reason taking to long the Sanitation Worker
did not report the incident.

The recyclable were picked up in Aug. trash
was all over my property.

My garage was damaged.

The Sanitation Worker got mad when he
spilled the recyclable trash on my property.
he slammed the recyclable trash cart into the
garage and dented it.

He needs to be responsible for his action.

I am disabled I would like to handle
this matter by phone.

Here are pictures of the trash that was
left + damage to my garage.

The person needs to be responsible for these
action. Why do you think that he did
not report the incident.

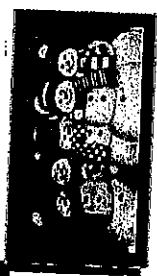

I want to get payed to have my garage

fixed. Thank you

RE: C.I. File No. 1030-2015-2049
Communication from GARY AND MARLENE BRUNN

Dear Mr. and Mrs. Brunn:

We have received your claim for the amount of \$1,195.00 in relation to the property damage you allege you sustained on July 21, 2015 at 4060 North 100th Street.

The Sanitation Division of the Department of Public Works has investigated and determined they did not cause the damage to your garage. The damage to your garage was not the result of any negligence of the City of Milwaukee and therefore the City is not legally liable for your damage. Accordingly, we are denying your claim.

If you wish to appeal this decision, you may do so by sending a written statement requesting a hearing within 21 days of the postmarked date of this letter to the Milwaukee City Clerk, 200 East Wells Street, Room 205, Milwaukee, Wisconsin 53202. Please include a photocopy of this letter's envelope, showing the postmark, and retain the original in the event further proof is needed.

Very truly yours,
