RE: 1703-1713 W. State Street
(Address of property in question)

Under ch. 68, Wis. Stats., s. 320-11 of the Milwaukee Code of Ordinances, this is a written petition for appeal and hearing.

I am appealing the administrative procedure followed by Department of Public Works
(Name of City Department)

Amount of the charges \$ NA

Charge relative to: NA

I feel the City's procedure was improper due to the following reasons and I have attached any supporting evidence, including city employee's names/dates which I spoke to regarding this issue and copies of any city orders received:

Due to an added easement by WE Energies and the need for required Garage/shed separation
from other dwellings on property per UDC code, it is no longer practical to construct an
fully enclosed structure for the garbage and recycling containers per MCO 79-5-7 and 79-36.
A structure sufficient in size to meet this requirement would block access to the parking lot
We are requesting relief from the requirements of 79-5-7 and 79-36 and will instead comply
with the requirements for screening per MCO 295-405-6 which do not have the same restrictions
relevant to easements and dwelling separation.
