The mayor's office continues to send these to me. I'll send them on to you as part of the committee unless you suggest otherwise.

The People's Flag is possibly one of the greatest city flags in the US. Push for and Approve it's official adoption and end the bickering - you won't find something better!

Just say "The People's Flag represents our city beautifully to the community and the US. Let's approve it's official adoption as a symbol of Milwaukee, then rally behind it as a community to similarly tackle bigger and more important issues facing the City."

Do it!
