HACM Helpful Contacts

For Public Housing Residents

First, contact your on-site manager for all concerns or questions:

Development

Manager Name

Phone Number

Email

Examples include, but are not limited to:

- To place work orders for repairs
- To confirm rent payments have been received
- To report a change in income
- Questions about calculation of rent
- Questions about the lease or handbook

Development office hours are Monday to Friday, 10am – 4:45pm.

From 8am-10am, staff is focused on processing required paperwork, etc.

If you are in a development with a manager who splits their time between two buildings, they may be in the other building some days. You may ask them for the phone number of the other development.

If you have concerns that cannot be addressed by your on-site manager, please contact the Public Housing Director of Property Management, Tina Wilson, at 414-286-5825.

In case of emergency, call 9-1-1 first. HACM's **Public Safety dept., 414-286-5100**, takes calls for non-emergency assistance at all times (24 hours a day, 7 days a week), and emergency maintenance calls after regular property management hours.

Work Order Steps:

1. Call the development office, or submit by logging into your resident account at myportal.hacm.org if able, give a description of the problem and give permission to enter unit if you are not present, or make arrangements.
2. Work order is assigned to a maintenance technician.
3. Maintenance goes to Resident unit and completes work requested (if only minors are in the unit, maintenance will leave and return at a later time when an adult is present).
 - a. If a work order is put On Hold, the maintenance staff will notify the resident and manager and estimate a date and time when work order will be completed.
 - b. If the work order needs a contractor, staff will inform the Resident, get the work order entered for the contractor and contact them right away.
4. Once the work order is complete, if you are unsatisfied, you should first reach out to the on-site manager, listed above, or contact the Quality Control Specialist at 414-286-8202.

What documentation do I need to provide for a recertification?

You need to provide documentation for any household income or household assets. Examples include: paystubs for wages; recent social security or SSI award letters; current bank statements to show the balance of any bank accounts or investment accounts; etc.

What is RentCafé and how is it used?

RentCafé (also known as myportal.hacm.org) is a web-based portal. Currently, applicants can use it to apply for open HACM waiting lists. As a resident, you may update your profile and contact information, complete and submit your annual recertification or an interim change online, access your inspections, look at your work orders and other information online.

Enjoy the convenience and features of online or retail-walk-in rent payments:

Sign-up and login to myportal.hacm.org. (To sign-up, you will need to create a user name and a password – and remember it!). You will also need to get a “Registration Code” from your manager or Debra Hampton, in the Senior Property Mgmt Office, 414-286-2192. Also have your bank account or credit card information available to set up the online payments. You can also register to make in-person payments at a variety of retail stores. Who should you contact if I need a reasonable accommodation (for you or a family member with a disability to fully utilize our programs)? What are my rights under the Violence Against Women Act (VAWA) for victims of domestic violence, dating violence, sexual assault, stalking, or human trafficking?

For either, please reach out to Marquette Treadway at 414-286-5678. For VAWA situations, we also encourage you to contact the Sojourner Family Peace Center Domestic Violence hotline at 414-933-2722.
