Manager of Planning Administration  
809 N. Broadway  
Milwaukee, WI 53201

Dear Manager of Planning,

The property located at 1621 W. Edgerton Av, the Willow Creek Condominium Complex would like to make a Minor Modification to the planned development. The modification includes the ability to erect a sign for the purposes of building and complex identification. Attached are the proposed layout and location of the new sign. The new sign will be placed approximately at 13<sup>th</sup> and Abbott. The design is a duplication of two other signs currently located on the property. The new sign matches these in color, size, and construction method. The new sign will help direct visitors and deliveries to two of the properties parking areas. There is currently no sign on the property's south side.

Thank You,

Chris Nelesen
