

NEW! WINTER GARBAGE CART SETOUT GUIDE

EFFECTIVE JANUARY 27, 2014

Set your garbage cart(s) out according to the
SCHEDULE ON THE BACK OF THIS CARD.

IMPORTANT SET OUT GUIDELINES

**(Your cooperation with these guidelines is required
for us to empty your carts)**

- Citywide year round setout of garbage carts begins **1/27/14**. Crews will no longer retrieve garbage carts from storage locations.
- To ensure collection, please place your garbage cart(s) at the collection point by **7AM** on your scheduled pickup days. Carts must be returned to the storage location by **10PM** following collection (MCO 79-5). *(see below for exception)*
 - For **STREET COLLECTION** - Place your cart(s) between the curb and sidewalk and maintain a clear path from your cart to the street.
 - For **ALLEY COLLECTION** - Place your cart(s) at the alley line and maintain a clear path from your cart to the alleyway.
- **Pickups cancelled due to winter weather will be made up on the next work day - leave cart(s) at the collection point until emptied and resume printed schedule the following week.**

RECYCLING

- Since most recycling schedules are not guaranteed in winter, crews will continue to retrieve carts from storage locations. Residents must clear snow and ice to provide access to carts. A few routes with year round set out will continue according to previously issued schedules.
- To look up the next anticipated recycling pickup day and for more information on Single-Sort recycling and accepted materials, visit www.MilwaukeeRecycles.com.
- **Please do not put plastic bags in recycling cart(s).**
