Ah Ong Cha,

The Center for Veterans Issues, Ltd is requesting a change in activity for the funding amount of \$113,998 of ESG funds for Rapid Re-Housing to be utilized for tenant based rental assistance as opposed to financial assistance. In fact, we would like to be able to use the entire amount for tenant based rental assistance. It is our experience that there is a greater need for this type of assistance among the veteran population than we are currently working with. We recently received 2 grants through the VA Supportive Services for Veterans and Families (SSVF) program that will provide the required financial assistance needed by veterans this fiscal year.

Respectfully,

Robert A. Cocroft
