To the Honorable, the Common Council

Dear Honorable Members:

In July, 2002, we submitted a resolution approving an Out-of-Program Agreement to the Common Council for introduction. The Agreement would be between the City and Tameister Development Company, LLC, a developer, and would pertain to the design, construction, and funding of public improvements to serve a four- (4) lot residential subdivision located at the current terminus of South 85th Street south of West Oklahoma Avenue.

This resolution was referred to the Public Improvements Committee. It was assigned file number 020511. For various reasons, the Committee has not yet acted on the resolution and associated proposed agreement. A substitute resolution has now been drafted. The Agreement has also been revised. The substitute resolution and revised Agreement are both attached. Please place them in the Committee file.

If you have any questions, feel free to contact Tom Miller at extension 3304.

Very truly yours,

Mariano A. Schifalacqua
Commissioner of Public Works
