To the Honorable
Common Council
City of Milwaukee

Dear Council Members:

We are submitting for your consideration the attached resolution authorizing the Commissioner of Public Works to enter into a Mutual Aid Agreement with other public works departments within Milwaukee County who have agreed to support each other in the event of a disaster.

We believe that adoption of this resolution will ultimately serve the citizens of the City of Milwaukee by providing us additional resources that could be quickly accessed and managed in the event of a disaster.

Sincerely,

VENU J. GUPTA, Superintendent
Buildings and Fleet Services

JEFFREY J. MANTES, Commissioner
Department of Public Works
