SUBJECT: 9TH ALDERMANIC DISTRICT – FILE #050812
INSTALL NO PARKING FOR 25 FEET EAST
AND 75 FEET WEST OF TWO DRIVEWAYS
ON NORTH INDUSTRIAL ROAD EAST OF
NORTH 76TH STREET

Dear Alderman Puente:

This is in response to a request from Direct Supply located at 6767 North Industrial Road to install the above-captioned parking restrictions.

Our Traffic Engineering staff has investigated this request and found that motorists exiting the driveways of Direct Supply have a difficult time seeing traffic traveling north and south bound on North Industrial Road when vehicles park close to their driveways. Therefore, in the interest of public safety, we recommend installing this restriction to increase sight visibility.

We will prepare the necessary legislation for the next Public Safety Committee meeting so that you may support it to final passage.

Very truly yours,

Jeffrey S. Polenske, P.E.

Honorable Joe Davis, Sr.
Alderman, 2nd Aldermanic District
Room 205, City Hall

SUBJECT: 2ND ALDERMANIC DISTRICT – FILE #050812
INSTALL NO PARKING DURING WINTER MONTHS
ON THE NORTH SIDE OF WEST CUSTER AVENUE
FROM NORTH 63RD STREET TO NORTH 64TH STREET

Dear Alderman Davis:

This is in response to a request we received from a local resident to install the above-captioned parking restriction.

Presently, the south side of the 6300 block of West Custer Avenue has a "No Parking December 1st to March 1st" restriction and a "No Parking School Days 7:30 am to 4:30 pm" restriction of the north side of the street, leaving the residents of this block nowhere to park during the winter months on school days.

In an effort to increase available parking in the winter months for these residents, we recommend changing the "No Parking December 1st to March 1st" restriction to the north side of the street, which would allow residents to park on the south side of the street.

We will prepare the necessary legislation for the next Public Safety Committee meeting so that you may support it to final passage.

Very truly yours,

Jeffrey S. Polenske, P.E.

INSTALL NO PARKING 3:30 PM TO 5:30 PM
MONDAY THROUGH FRIDAY ON THE NORTH
SIDE OF WEST LINCOLN AVENUE FROM
SOUTH 26TH STREET TO SOUTH 28TH STREET

Dear Alderman Donovan:

Due to the traffic backups westbound during the afternoon peak hour passing through the traffic signal at South Layton Boulevard and West Lincoln Avenue, we are recommending the installation of no parking 3:30 pm to 5:30 pm Monday through Friday on the north side of West Lincoln Avenue from South 26th Street to South 28th Street to create an additional westbound through traffic lane serving the intersection.

We will prepare the necessary legislation for the next Public Safety Committee meeting, so that you may support it to final passage.

NORTH OF EAST STATE STREET TO A POINT
25 FEET NORTH THEREOF

Dear Alderman Bauman:

This is in response to your request on behalf of Yankee Hill Apartments to install the above-captioned parking restriction.

Therefore, in the interest of Public Safety, we recommend installing this restriction to increase sight visibility.

We will prepare the necessary legislation for the next Public Safety Committee meeting, so that you may support it to final passage.
