City Clerk
ATTN: CLAIMS
200 E. Wells St., Room 205
Milwaukee, WI 53202-3567

Dear City Clerk:

I am a long time resident of our city and I am writing to seek compensation for my vehicle, a 2006 Chrysler 300 touring. On March 10 2016 My license plate number 966VDJ was towed from my residence and taken to the City of Milwaukee Tow lot at 3811 west Lincoln avenue. I was informed that I had 15 days to come and claim my vehicle and intended to use that time to gather the funds. However I was never able to do so because on March 16th my car a 2006 Chrysler was released as a 2001 Chrysler VIN number #2C3HE66G1h43838 That was registered to a resident of Fondulac county whose information I was not able to obtain. When I purchased my car in 2013 it was reissued a Wis VIN from the state VIN#1000000000006233 (documents enclosed.) The only time I have had issues in the 3 years I've owned this car was in two prior instances when my car was towed and taken to the city tow lot. On those two occasions MPD was called and they verified my VIN and my registration and my car was then released to me. After being informed my car was released to someone else from the City tow lot, I proceed to file a police report for a stolen vehicle as advised to do so by officers, and I have my Incident number: 160980046. The police then were able to locate the person whom my car was released to, but was not able to recover the vehicle. She informed the police that she had never seen the car before and had believed it to be a car she had registered in her name for a boyfriend. And because she had never seen the vehicle and had no use for it she sold it to the tow company as a junk car and the car was destroyed. Due to the fact that my car was in the City's possession and then wrongly released, not allowing me the chance to recover my car I believe the City of Milwaukee tow lot is liable and I am seeking damages in the amount of \$7,225. The car was purchased in 2013 for \$10,995 and the current KBB value of the car is between \$6000-\$7600. My car had only 92,000 miles and was in good condition.

Sincerely,
