Dear Bob,

Aurora HealthCare has submitted an application to rezone the St. Luke's Medical Center campus under the provisions of a Detailed Planned Development. The City Planning Commission is scheduled to review this application on March 26th, 2001. I am requesting that you pre-publish all of the required documents so that this rezoning application can be reviewed by the Zoning and Neighborhood Development Committee on April 4th, 2001.

Your expeditious handling of this matter would be greatly appreciated.

Cordially,

A handwritten signature in cursive script that reads 'Bob'.

Bob Donovan
Alderman 8th Dist.

cc: Tom Reilly – Aurora HealthCare
