Common Council
City of Milwaukee

Subject: Introduction of Resolution Increasing Grantor Share Appropriation Authority
for 2021

Dear Honorable Members:

We are submitting the attached resolution for introduction at the July 7, 2021 Common Council meeting.

The intent is to increase the grantor share appropriation authority for 2021. There is a need for increased operating grant appropriation authority in 2021, based on significant unanticipated grant awards the City has received in 2021, specifically in the American Rescue Plan Act. There was a similar need to increase grant authority in 2020 based on awards under the CARES Act. This was done through Council File Number 200403.

The file is being introduced by title only at this time but will be filled prior to a Committee hearing.

Respectfully submitted,

Dennis Yaccarino
Budget and Management Director
