Dear Mr. Buzzell and Mr. Kapfenstein:

This is to notify you that on April 21, 2009, the City's Licenses Committee voted to recommend to the City's Common Council that the complaint for revocation of the loading zone permit for the premises at 4110 West Martin Drive, Milwaukee, Wisconsin be dismissed due to the nonappearance of the complainant.

On April 24, 2009, you were sent a true and correct copy of the findings of fact, conclusions of law and recommendations of the Licenses Committee with respect to the motion for the revocation of the loading zone permit in which the Committee recommended that the complaint be dismissed based upon nonappearance of the complainant. You were further notified that the Milwaukee Common Council would consider the matter at its meeting of May 5, 2009 commencing at 9:00 a.m. in the Common Council Chambers on the third floor of City Hall, 200 East Wells Street, Milwaukee, Wisconsin. You were advised of your right to file written objections and to appear personally or by counsel to address the Common Council. At that date, time and place you did not appear, and you did not file written objections to the report of the Licenses Committee.

Following consideration of the report of the Licenses Committee, the Common Council adopted the recommendation of the Licenses Committee to dismiss the complaint seeking revocation of your loading zone permit based upon nonappearance of the complainant.

Very truly yours,  
  
RONALD D. LEONHARDT  
City Clerk
