

January 14, 2003

To the Honorable
the Common Council

Subject: South 6th Street (STH 38)
South Chase Avenue to
West Maple Street

Dear Council Members:

Common Council File No. 981633, adopted March 23, 1999, authorized and directed the Commissioner of Public Works to execute a project agreement with the Wisconsin Department of Transportation (WISDOT) for the improvement of South 6th Street (STH 38) between South Chase Avenue and South Maple Street with Federal and/or State Aid under the State Trunk Highway Program. It is now necessary to begin preliminary engineering on the project which is scheduled for construction in 2005.

We have, therefore, prepared the attached resolution which authorizes and directs the City Comptroller to transfer funds and establish the appropriate accounts for the preliminary engineering for South 6th Street from South Chase Avenue to West Maple Street. The estimated cost for preliminary engineering is \$165,600, of which the City's share is \$41,400.

Very truly yours,

Jeffrey S. Polenske, P.E.
City Engineer

Mariano A. Schifalacqua
Commissioner of Public Works
