NOTICE OF PUBLIC HEARING

**CITY OF MILWAUKEE - City Plan Commission
809 North Broadway
Milwaukee, Wisconsin**

September 14, 2022

PLEASE NOTE: A zoning change is being considered for the property within the boundary shown on the map on the reverse side of this notice. If your property is not within the zoning boundary, then you are receiving this notice because your property address is within 200 feet.

DEAR PERSON OF INTEREST:

File No. 220720 has been referred to the City Plan Commission (CPC) for recommendation. This file relates to the approval of a request for a deviation from the performance standards established by the Towne Corporate Park of Granville Development Incentive Zone (DIZ) to allow outdoor storage for ABC Supply Co., Inc., which intends to occupy the site located at 11200 West Heather Avenue, on the north side of West Heather Avenue, east of North Lauer Street, in the 9th Aldermanic District.

The Towne Corporate Park of Granville DIZ overlay was adopted by the Common Council in 1998 and establishes design standards as well as a permitted and prohibited use list to promote high quality industrial development. ABC Supply Co. is proposing to open a new location at 11200 W. Heather Avenue within the overlay, and is a national product supplier headquartered in Beloit, WI whose principal customers are wholesalers and builders located within the surrounding community seeking a close supply chain facility for building trades involved in the building and rehabilitation of homes in the community. The primary use will be an indoor warehouse distribution facility within the existing building (permitted in the overlay) with an outdoor storage component, which is not allowed by the overlay. ABC Supply Co. is seeking a deviation from the overlay use list to allow the outdoor storage use on the east and north sides of the site, and is proposing to screen the use, which is set back significantly from the street, with a fence and substantial landscaping.

Please refer to the reverse side of this notice for map details.
