To Whom It May Concern,

I am writing today to attest the history and track record of FPC Live as concert operators in the city of Madison. For decades, FPC Live and the Madison Police Department have had an incredible working relationship. From venue operations to outdoor festivals throughout the city, their approach and reputation has always been as fully transparent, cooperative, collaborative, responsive and professional community partners. We offer our full support to them in any new opportunity they may pursuing.

If you have any questions or concerns around their good standing in Madison please don't hesitate to contact us.

Sincerely,

Lt. Scott Kleinfeldt #3339
