**Subject:** EMPLOYMENT STATUS OF CHIEF MORALES

Good Afternoon Milwaukee Police & Fire Commission:

I am writing as it relates to the current status of employment of Alfonso Morales as Milwaukee Police Chief. In giving careful observation of his record and conduct as Milwaukee Police Chief, I ask that Chief Morales be relieved of his duty effective immediately. Chief Morales' record and conduct has resulted in a wider gap between Milwaukee Communities and Milwaukee Police Department. Residents of Milwaukee Communities simply do not trust Chief Morales nor the department. This lack of trust has widened as a result of recent responses of Chief Morales and the Milwaukee Police Department to ongoing civilian unrest; tear-gassing Milwaukee residents, rubber bullets fired at and hitting residents taking advantage of their right to protests, etc. It is my belief that Alfonso Morales is not fit for the position of Milwaukee Police Chief. Thank you for your consideration.

Best Regards,  
John Larry

P.S. I have copied the City Clerk on this email in order to have my email to go on record. Thank you again!
