**2015 OPERATING PLAN  
SHERMAN PARK NEIGHBORHOOD IMPROVEMENT DISTRICT**

**I. INTRODUCTION**

*A. Background*

In 2006, the State of Wisconsin signed into law the 2005 Wisconsin ACT 186, a legislative declaration created to give Wisconsin municipalities (i.e., cities, villages and towns) the power to establish one or more Neighborhood Improvement Districts (NIDs) within their community. An assessment methodology is developed to allow the assessable residential and commercial properties within the geographic area to contribute to programs aimed at neighborhood improvements and other activities as approved by the NID Board. The ACT was drafted similar to the business improvement district statute.

The City of Milwaukee has received a petition from property owners which requests creation of a Neighborhood Improvement District for the purpose of revitalizing and improving the Sherman Park neighborhood area on Milwaukee's near west side (see Appendix B). The NID law requires that every district have an annual Operating Plan. This document is the initial Operating Plan for the Sherman Park Neighborhood Improvement District. The NID proponents prepared this Plan with technical assistance from the City of Milwaukee Department of City Development.

*B. Physical Setting*

The general boundaries for the Sherman Park Neighborhood Improvement District ("SP NID") are North Fifty-First Street to the west, North 38<sup>th</sup> Street to the east, West Burleigh Street to the north and West Meinecke Avenue to the south. For a specific boundary, see Appendix C.

Near the end of the nineteenth century and in the first decades of the twentieth, the area constituting the Sherman Park NID developed rapidly. That development proceeded from the southeast to the west and north as the Milwaukee city limits were extended westward beyond 35<sup>th</sup> Street to North 60<sup>th</sup> Street (Wauwatosa), and on the north to West Burleigh and beyond. Development was encouraged by extension of the street car lines to the west, the 1891 purchase of land well outside of City limits for Sherman Park itself, creation of Sherman Boulevard as part of the early plan to link city parks with landscaped boulevards, and by the construction of Washington High School in 1913 - quickly regarded as a premium institution throughout the region. Early aerial photos show that properties on Grant, a developer-created boulevard, and Sherman Boulevards tended to fill in later than properties on either side. Commercial development was concentrated along Lisbon and North Avenues and Center and Burleigh Streets.

Though blocks in the Sherman Park NID are on a fairly regular grid, street widths and lot sizes vary considerably. Lot sizes vary, ranging from 30' by 120' in the south and eastern areas and 50' by 130' on the west side of Sherman to 50' by 160' lots on a parallel stretch of blocks between Sherman and Grant Boulevards. Most properties west of 35<sup>th</sup> Street are said to constitute automobile suburbs in that the provision for private garages to store personal vehicles was an automatic feature. Of these, many were

built to match the style and materials of the home. Home construction has ranged from clapboard-sided frame and stucco or wood shingle over brick (bungalow styles) to all brick veneer or lannon stone. To date, there are few apartment buildings. The primary forms of housing in the NID are single family residences and unit over unit duplexes.

Many homes in the NID have architectural merit and were frequently individually designed by architects. These are most likely, though not exclusively, found on the 2500 block on North 47<sup>th</sup> Street, which is on the Milwaukee Historic Registry, and on Sherman and Grant Boulevards, both of which are on the local and National Historic Registers. Improvements in these latter districts are eligible for Preservation Tax Credits.

The SP NID is also home to a number of businesses and institutions including Hadley Terrace, the Mary Ryan Boys & Girls Club, and Washington High School.

### *C. Principal Office*

The Principal Office and Registered Office of the SP NID shall be the Sherman Park Community Association, 3526 West Fond du Lac Avenue, Milwaukee, WI 53216.

## **II. DISTRICT BOUNDARIES**

Boundaries of the proposed district are shown on the map in Appendix C of this plan. A listing of the properties included in the district is provided in Appendix D. The description in Section I. B is a general description of the boundary; the actual boundary is depicted on Appendix C and the actual properties included are listed in Appendix D. In the event of a discrepancy, Appendix D shall control. The SP NID may update Appendix D during each annual Operating Plan. The Boundaries are herein referred to as "SP NID Area."

## **III. PROPOSED OPERATING PLAN**

### *A. Plan Objectives*

The objective of the SP NID is to (a) provide assistance to homeowners and (b) to fund community improvement projects in order to eliminate blight, stabilize the housing stock, and otherwise enhance the SP NID.

### *B. Proposed Activities - Year One*

Principle activities to be engaged in by the district during its first year of operation will include:

1. Assistance to Homeowners
  - a. Create a grant fund ("Grant Fund") which will provide financial assistance to home owners in the SP NID Area through modest grants (e.g. \$50 - \$5,000 each) to make the following improvements to their properties: energy efficiency improvements, repairs to increase water conservation, repairs to the structural condition of the property (including roof

repairs), safety improvements (including lighting, fencing and garages), plumbing, electrical, and heating improvements, repairs that are essential for bringing properties into compliance with city building codes and repairs to increase the curb appeal of property (“Improvements”).

- b. An initial overview of grants to be made from the Grant Fund is attached as Appendix M. The Board of Directors of the SP NID may at any time amend the amount of each grant, the number of grants, and any qualifying criteria.

## 2. Fund Community Improvement Projects

- a. Sustain the work of existing neighborhood organizations, including, but not limited to, Hadley Residents Council, the Sherman Park Community Association, Uptown Crossing, and the 38<sup>th</sup> to 41<sup>st</sup> Street Block Group.
- b. Each neighborhood organization, block club, or group of residents shall develop a work plan that includes community improvement projects which may include, for example, advertising material for the neighborhood, providing resource materials to residents, hosting community events, beautification projects, etc.
- c. Projects will be funded to the extent funds are available by action of the SP NID Board of Directors.

Pursuant to the NID Statute, defined below, the local legislative body does not authorize the board to own real property in this operating year, but the Operating Plan may be amended in the future to allow for such ownership.

### *C. Proposed Expenditures - Year One*

Proposed Budget attached as Appendix E. The SP NID Board of Directors shall have the authority and responsibility to prioritize expenditures and to revise the budget as necessary to match the funds actually available. Although the SP NID Board of Directors may change the budget, it must pay off any debt incurred on behalf of the SP NID, including - without limitation - debt incurred related to the certified mailing costs involved in establishing the SP NID.

### *D. Financing Method*

It is proposed to raise approximately \$200,000 through SP NID assessments (see Appendix D). Funds may also be pursued from foundations and other available resources. The SP NID may seek private financing for programming secured by this year’s or future operating years of the SP NID. The SP NID Board of Directors shall have the authority and responsibility to prioritize expenditures and to revise the budget as necessary to match the funds actually available.

E. *Organization of NID Board*

Upon creation of the SP NID, the District shall hold annual meetings to elect Directors to the Board consistent with terms of this subsection and the bylaws of the SP NID. The Board's primary responsibility will be implementation of this Operating Plan. This will require the board to negotiate with providers of services and materials to carry out the Plan; to enter into various contracts; to monitor development activity; to periodically revise the Operating Plan; to ensure district compliance with the provisions of applicable statutes and regulations; and to make reimbursements for any overpayments of SP NID assessments.

State law requires (a) that the board be composed of at least five directors and that a majority of the board directors be owners or occupants of property within the district and (b) the local legislative body must set the time and place for a meeting at which directors of the board will be elected, and shall publish a class 2 notice under Ch. 985 that contains the information. The notice shall specify that all individuals who either own or occupy real property within the neighborhood improvement district are eligible to serve on the board and vote at the election.

It is recommended that the SP NID Board be structured and operate in accordance with the Bylaws attached as Appendix L, which is consistent with the following:

1. Board Size: Minimum of seven (7) directors and up to nine (9) directors.
2. Composition: The Board shall consist of individuals who own or occupy residential property or mixed-use property (i.e. property with both commercial and residential uses). A minimum of 2/3 of the Directors shall be homeowners (owner-occupants) or residents that live within the SP NID.
3. Term: Terms for the members of the board shall be for a period of three years except that initially three members shall be elected for a period of three years, two members shall be elected for a period of two years, and two members shall be elected for a period of one year. Directors may be re-elected.
4. Compensation: None
5. Meetings: The Board shall adopt rules of order (by-laws) to govern the conduct of its meetings. The Board shall meet regularly, at least once every 3 months. A total of at least five (5) Board Members must be present for quorum in order for official decisions to be made. All meetings of the Board's affairs shall be kept pursuant to public records requirements.
6. Staffing and Office: The Board may employ staff and/or contract for staffing services pursuant to this Operating Plan and subsequent modifications thereof. The Board may also maintain an office for the District, which shall be located within the District.
7. Method of Electing Directors to District Board: An annual meeting at which directors of the Board will be elected shall be held on the first Tuesday of February of each year of the District's

existence. Prior to the meeting, the City shall publish a Class 2 notice that contains the time and place of the annual meeting. The notice shall specify that all individuals who either own or occupy real property within the District are eligible to serve on the Board and vote at the election.

8. Changes: Any change in the Board size, composition or election methodology must be approved by a two-thirds (2/3) majority of the entire Board.

*F. Relationship to other Organizations:*

The SP NID shall be a separate entity from the Sherman Park Community Association (SPCA), notwithstanding the fact that members, officers and directors of each may be shared. The SPCA shall remain a non-profit organization, not subject to the open meeting law, and not subject to the public record law except for its records generated in connection with the SP NID Board. The SPCA may and, it is intended, shall contract with the SP NID to provide services to the NID in accordance with this Plan.

**IV. METHOD OF ASSESSMENT**

*A. Assessment Rate and Method*

The principle behind the assessment methodology is that each property should contribute to the SP NID in proportion to the benefit derived from the SP NID. After consideration of other assessment methods, it was determined that for residential properties, the number of residential units was the characteristic most directly related to the potential benefit provided by the SP NID.

Therefore, a fixed assessment of \$50 per dwelling unit was selected as the basic assessment methodology for properties in the SP NID. Mixed-use properties and multi-family dwellings (residences with two or more dwelling units) shall be assessed \$50 per unit to a maximum of \$500. Properties in the area which fall within pre-existing Business Improvement Districts (BIDs) are omitted from the SP NID.

Maintaining an equitable relationship between the SP NID assessment and the expected benefits requires an adjustment to the basic assessment method. To prevent the disproportional assessment of a small number of high value properties, a maximum assessment of \$500 per parcel will be applied.

As of March 13, 2013, the property in the proposed district had approximately 2,833 parcels with a total of assessed value of approximately \$195,753,000. Appendix D shows the projected SP NID assessment for each property included in the district.

The assessment assigned to each parcel based on this formula is herein referred to as "SP NID Assessment." Any SP NID Assessments related to a previous year or years may not be contested. Any SP NID Assessment related to this Operating Plan may only be contested prior to approval and adoption of this Operating Plan by the City Council.

*B. Excluded and Exempt Property*

The NID Statute requires explicit consideration of certain classes of property. In compliance with the law, the following statements are provided.

1. In accordance with the interpretation of the City Attorney regarding Wis. Stats. Section 66.1110(7)(a), property exempt from general real estate taxes has been excluded from the District. Owners of tax exempt property adjoining the District and expected to benefit from District activities will be asked to make a financial contribution to the District on a voluntary basis. Those tax exempt properties adjoining the District which are later determined no longer to be exempt from general property taxes shall automatically become included within the District and subject to assessment under any current operating plan without necessity to undertake any other act.

**V. PLAN AND ORDERLY DEVELOPMENT OF THE CITY**

*A. City Plans*

In February 1978, the Common Council of the City of Milwaukee adopted a Preservation Policy as the policy basis for its Comprehensive Plan and as a guide for its planning, programming and budgeting decisions. The Common Council reaffirmed and expanded the Preservation Policy in Resolution File Number 881978, adopted January 24, 1989.

The Preservation Policy emphasizes maintaining Milwaukee's present housing, jobs, neighborhoods, services, and tax base rather than passively accepting loss of jobs and population, or emphasizing massive new development. In its January 1989 reaffirmation of the policy, the Common Council gave new emphasis to forging new public and private partnerships as a means to accomplish preservation.

The district is a means of formalizing and funding the public-private partnership between the City and property owners in the Sherman Park neighborhood and for furthering preservation and redevelopment in this portion of the City of Milwaukee. Therefore, it is fully consistent with the City's Comprehensive Plan and Preservation Policy.

*B. City Role in District Operation*

The City of Milwaukee has committed to helping private property owners in the district promote its development. To this end, the City is expected to play a significant role in the creation of the Neighborhood Improvement District and in the implementation of the Operating Plan. In particular, the City will:

1. Provide technical assistance to the proponents of the district through adoption of the Plan, and provide assistance as appropriate thereafter.
2. Monitor and, when appropriate, apply for outside funds that could be used in support of the district.

3. Collect assessments, maintain in a segregated account, and disburse the monies of the district.
4. Receive annual audits as required per sec. 66.1110 (4)(c) of the NID law.
5. Provide the board, through the Tax Commissioner's Office on or before June 30th of each Plan year, with the official City records and the assessed value of each tax key number with the district, as of January 1st of each Plan year, for purposes of calculating the NID assessments.
6. Encourage the State of Wisconsin, Milwaukee County and other units of government to support the activities of the district.

## **VI. PLAN APPROVAL PROCESS**

### *A. Public Review Process*

The Wisconsin Neighborhood Improvement District law establishes a specific process for reviewing and approving proposed districts. Pursuant to the statutory requirements, the following process will be followed:

1. The Milwaukee City Plan Commission will review the proposed district boundaries and proposed Operating Plan and will then set a date for a formal public hearing.
2. The City Plan Commission will send, by certified mail, a public hearing notice and a copy of the proposed Operating Plan to all owners of real property within the proposed district. In addition a Class 2 notice of the public hearing will be published in a local newspaper of general circulation.
3. The City Plan Commission will hold a public hearing, will approve or disapprove the Plan, and will report its action to the Common Council.
4. The Economic Development Committee of the Common Council will review the proposed NID Plan at a public meeting and will make a recommendation to the full Common Council.
5. The Common Council will act on the proposed NID Plan.
6. If adopted by the Common Council, the proposed NID Plan is sent to the Mayor for his approval.
7. If approved by the Mayor, the NID is created.

### *B. Petition against Creation of the NID*

The City may not create the Neighborhood Improvement District *if*, within 30 days of the City Plan Commission's hearing, a petition is filed with the City containing signatures of:

- a) Owners of property to be assessed under the proposed initial Operating Plan having a valuation equal to more than 50% of the valuation of all property to be assessed under the proposed initial Operating Plan, using the method of valuation specified in the proposed initial Operating Plan; or
- b) Owners of property to be assessed under the proposed initial Operating Plan having an assessed valuation equal to more than 40% of the assessed valuation of all property to be assessed under the proposed Operating Plan.

## **VII. FUTURE YEAR OPERATING PLANS**

### *A. Phased Development*

It is anticipated that the SP NID will continue to revise and develop the Operating Plan annually, in response to changing development needs and opportunities in the district, in accordance with the purposes and objectives defined in this initial Operating Plan.

Section 66.1110 (6)(b) of the NID law requires the board and the City to annually review and make changes as appropriate in the Operating Plan. Therefore, while this document outlines in general terms the complete development program, it focuses upon Year One activities, and information on specific assessed values, budget amounts and assessment amounts are based on Year One conditions.

Greater detail about subsequent year's activities will be provided in the required annual Plan updates, and approval by the Common Council of such Plan updates shall be conclusive evidence of compliance with this Plan and the NID law.

In later years, the SP NID Operating Plan will continue to apply the assessment formula, as adjusted, to raise funds to meet the next annual budget. However, the method of assessing shall not be materially altered, except with the consent of the City of Milwaukee.

### *B. Amendment, Severability and Expansion*

This SP NID has been created under authority of Section 66.1110 of the Statutes of the State of Wisconsin ("NID Statute"). Should any court find any portion of this Statute invalid or unconstitutional, its decision will not invalidate or terminate the SP NID and this SP NID Operating Plan shall be amended to conform to the law without need of reestablishment.

Should the legislature amend the Statute to narrow or broaden the process of a NID so as to exclude or include as assessable properties a certain class or classes of properties, then this NID Plan may be amended by the Common Council of the City of Milwaukee as and when it conducts its annual Operating Plan approval and without necessity to undertake any other act.

## **VII. Contraction with SP NID**

Any contracting with the SP NID shall be exempt from the requirements of Sec 62.15, Wis. Stats. because such contracts shall not be for the construction of improvements or provision of materials. If the SP NID does contract for the construction of improvements or provisions of material, it shall follow the requirements of such statutes to the extent applicable. Further, the annual accounting required under Sec 66.608 (3)(c) Wis. Stats. shall be deemed to fulfill the requirements of Sec 62.15 (14)Wis. Stats. The SP NID Board of Directors and the City of Milwaukee shall comply with the provisions of Sec. 66.60 before the City inserts assessments for this NID plan onto the tax bills for the parcels assessed thereunder, only to the extent required by law, to create a lien on the parcels assessed. The SP NID may provide grant support to organizations that include the cost of staff; however, the SP NID shall not have

employees directly and shall contract with a responsible third party for any administration of grant funds.

(4) (a) 3.

(b) 1. A petition may not be filed under this subsection earlier than one year after the date on which the municipality first adopts the operating plan for the neighborhood improvement district.

2. On and after the date on which a petition is filed under par. (a) 1. or 2., or on and after the date on which a petition must be filed under par. (a) 3., neither the board nor the municipality may enter into any new obligations by contract or otherwise to implement the operating plan until the expiration of 30 days after the date of the hearing under subd. 3. and unless the neighborhood improvement district is not terminated under par. (c).

3. Within 30 days after the filing of a petition under par. (a) 1. or 2., the planning commission shall hold a public hearing on the proposed termination. Within 30 days after the deadline for filing a petition under par. (a) 3. passes, the planning commission shall hold a public hearing on the proposed termination. Notice of the hearing shall be published as a class 2 notice under ch. 985. Before publication, a copy of the notice, together with a copy of a detail map showing the boundaries of the neighborhood improvement district, shall be sent by certified mail to all owners of real property within the neighborhood improvement district. 4. Within 30 days after the date of the hearing under subd. 3., every owner of property assessed under the operating plan may send written notice to the planning commission indicating, if the owner signed a petition under par. (a) 1. or 2., that the owner retracts the owner's request to terminate the neighborhood improvement district, or, if the owner did not file or sign a petition under par. (a) 1. or 2., that the owner requests termination of the neighborhood improvement district under par. (a) 1. or 2.

5. Within 30 days after the date of the hearing under subd. 3., every owner of property assessed under the operating plan may send written notice to the planning commission indicating, if the owner signed a petition under par. (a) 3., that the owner retracts the owner's request to continue the neighborhood improvement district, or, if the owner did not file or sign a petition under par. (a) 3., that the owner requests continuation of the neighborhood improvement district under subd. 3.

(c) After the expiration of 30 days after the date of the hearing under par. (b) 3., and after adding any additions and subtracting any retractions under par. (b) 4. and 5., the municipality shall terminate the neighborhood improvement district on the date on which the obligation with the latest completion date entered into to implement the operating plan expires if the owners who have signed the petition requesting the termination of the neighborhood improvement district under par. (a) 1. or 2. constitute the required groups specified in par. (a) 1. or 2., or if an insufficient representation of owners, as described under par. (a) 3., petition to continue the neighborhood improvement district under par. (a) 3.
