**REPORT**

In the Matter of: Damage to Vehicles Parked in the Lot at the Police Academy

TO: Ramon GALAVIZ CITY CLERK  
ATTN CLAIMS  
200 E. WELLS ST. Rm 20 + Deputy Inspector of Police  
MILWAUKEE WI 53202-3562

Sir:

This report is being submitted by Lieutenant Rebecca L. PIXLEY, assigned to the Police Academy.

On Wednesday, April 13, 2005 at approximately 3:45 p.m. - 3:50 p.m., one of the members attending in-service training, Sgt. James M. CROUSE, informed me that there were several cars in the Police Academy parking lot that he discovered that appeared damaged. He stated that the Milwaukee Fire Department's orange/white barricades were blown into the parked autos by wind gusts. I accompanied Sgt. CROUSE to the parking lot and observed several of the MFD white/orange barricades lying next to or upon personal vehicles. It should be noted that the barricades are placed around the MFD fire tower. The barricades form a perimeter around the training tower which allows for MFD members to train within the cordoned off space. There were a total of 13 POV's parked in one row of marked, parking slots, as reported to me by Sgt. CROUSE, stating that every slot was filled upon his arrival. I observed apparent damage to following vehicles:

1994 Pontiac Bonneville, 4-dr, White, 381-DFC WI 06, VIN #1G2HX52L1R4245371  
Registered to: James M. Crouse and Jori M. Crouse of 3676 S. 95<sup>th</sup> Street, 53228  
Scratch, dents, and paint transfer to the trunk and rear bumper. Insurance-American Family.

2004 Honda Odyssey, Mini-van, Green, 442-GLA WI 06, VIN # 5FNRL18904B022644  
Registered to: Ramon R. Lastrilla and (P.O.) Kim M. Lastrilla of 2327 W. Parnell Avenue, 53221  
Dent and paint transfer to the right, front bumper. Insurance-Acquity.

Sgt. CROUSE informed me that he observed Sgt. John HOGAN discover a barricade on his personal vehicle. Sgt. Hogan removed the barricade and exited the lot

prior to Sgt. CROUSE summoning me.

At approximately 3:49 p.m. I contacted the ID Division and requested a photo technician respond to the scene. I also left a voice message for Squad 197, Deputy Inspector Gregory, and reported the details of the incident.

ID Technician Douglas Brahm, Squad 383, responded. He took 21 photos at approximately 4:45 p.m.

Upon my initial arrival at the lot, five of the original cars parked in this row were gone. I did direct that photos be taken of the remaining eight vehicles and documented the apparent damage or lack of damage to each of these vehicles. Both department members stated that they would be filing a claim with the City of Milwaukee for damages.

Respectfully Submitted,

Rebecca L. PIXLEY  
Lieutenant of Police  
Police Academy
