Charter School Review Committee

Subject: File #150630, Milwaukee Math & Science Academy

Dear Chair Ingram,

The MMSA Charter School was placed on probation on January 6, 2015. The CRC Programmatic Profile and Educational Performance report was completed by the fall of 2015. On October 30, 2015, it was determined by the CSRC to continue probation and a mid-year review required by February 5, 2016.

It is our opinion that the timeframe, October 30, 2015 – February 5, 2016 is not a sufficient time to totally assess the school's progress, or the student's progress, especially in reading and math. Therefore, we ask the school status not be changed until the 2015 – 2016 Programmatic Profile and Educational Performance Report is completed by the Children's Research Center.

Cordially,

  
Marva Herndon & Gail Hicks
