- Accepting of others
- Willing to learn new things
- Team work
- Community building

---

### Volunteer Experience

---

#### Youth Empowered In The Struggle (YES)

MARCH 2017 - PRESENT, 1027 S 5th St, Milwaukee, WI 53204

YES is a multicultural social justice organization that fights for immigrant, student, and worker's rights. My time working at Y.E.S consisted in organizing protests and making speeches at these events, attending frequent meetings, opening discussions to issues in the community and finding ways to make change.

#### Milwaukee Domes

October 2015 - Present, 7101 Good Hope Rd, Milwaukee, WI 53223

Most of my time spent at the Domes was volunteer work. I took part in events for the children during the holidays. This included giving tours, making sure families get to their destinations safely, giving out desserts and making crafts with the children.

#### Uihlein Soccer Park

October 2015 - Present, 7101 Good Hope Rd, Milwaukee, WI 53223

Most of my time spent at Uihlein was also volunteer work. My work was mostly work that was assigned to me. Whatever I was told to do, I did.

I did things that varied from conducting traffic during soccer tournaments to making sure that games were ran orderly..

#### Youth Rising Up

April 2017 - Present, 1720 W Locust St, Milwaukee, WI 53206

Youth Rising up is a youth-led organization that primarily focuses on water-quality in the city of Milwaukee. My time in Y.R.U. consisted of organizing ways to insure that MPS schools and homes in predominantly African-American areas receive lead free water.
