To the Honorable Members of the
Zoning, Neighborhoods and Development Committee
City of Milwaukee
City Hall, Room 301-B

Dear Committee Members:

File Number 260144 relates to updating the Climate and Equity Plan and amending the Citywide Policy Plan as part of the City's Overall Comprehensive Plan, and directing its implementation.

This ordinance updates the Climate and Equity Plan as part of the Citywide Policy Plan in the City's Overall Comprehensive Plan, by incorporating the Department of Compliance and Engagement and the following disclaimer: "Nothing in this Plan is intended to establish hiring quotas, set-asides, or preferences based on race, color, or national origin. The City of Milwaukee is an Equal Opportunity Employer. All programs and initiatives undertaken pursuant to this Plan shall be implemented in a manner consistent with applicable federal and state law, including Title VI of the Civil Rights Act of 1964."

This file was considered by the City Plan Commission at its regularly scheduled meeting on June 29, 2026. At that time, Erick Shambarger from the City of Milwaukee's Environmental Collaboration Office was present to answer questions. The City Plan Commission recommended approval of the file.

Sincerely,

for

Lafayette L. Crump
Executive Secretary
