Description of work Replace roofing on flat and barrel/gambrel vaulted sections of roof with EPDM, including selective tear off. Shingled/tiled sides of mansard will be untouched. Affected areas are shown on following pages
Date issued 10/18/2021 PTS ID 115206 COA: FLAT ROOF REPLACEMENT

In accordance with the provisions of Section 320-21 (11) and (12) of the Milwaukee Code of Ordinances, the Milwaukee Historic Preservation Commission has issued a certificate of appropriateness for the work listed above. The work was found to be consistent with preservation guidelines. The following conditions apply to this certificate of appropriateness:

The Wisconsin Historical Society has established best practices for working with flat roofs. The City strongly recommends following their advice. <https://www.wisconsinhistory.org/Records/Article/CS4266>

All work must be done in a craftsman-like manner, and must be completed within one year of the date this certificate was issued. Staff must approve any changes or additions to this certificate before work begins. Work that is not completed in accordance with this certificate may be subject to correction orders or citations. If you require technical assistance, please contact hpc@milwaukee.gov.

If permits are required, you are responsible for obtaining them from the Milwaukee Development Center. If you have questions about permit requirements, please consult the Development Center's web site, www.milwaukee.gov/build, or call (414) 286-8210.
