On July 28th of 2005 around 10:30pm I was traveling west on Howard Ave. past 60th st. and before approaching Forest Home Ave. my car ran into a sewage cover which sunk in approximately half foot to a foot in the ground. I ran over with my 2005 Honda Civic and passenger front rim was damaged and my tire blew up immediately. There was no road signs or any kind of road warnings about this hole on the street. I pulled over right away and called District 6 police department and told them about the incident. They wrote down the report and gave me a Hitch number: (052091793) to claim to the city. The rims that I own are after market 17x7 inches, brand MOTEGI and Model MR-5. The tire are low profile and measuring 235-45-R17. The telephone number where I can be reached is 414-327-3501 or 414-614-4644. GORAN FILIPOVIC.

Sincerely,
