Dear Committee Members:

Re: Common Council File #230649

File #230649 is recommending changing the language in the Salary Ordinance, Part II, Section 9c to reflect the current needs of the Department of Public Works. The modification to the language is as follows:

This benefit shall **not** apply to employees in the Department of Public Works performing snow and ice operations ~~who are designated by the department as members of the C-Team.~~

A copy of the fiscal note is attached. The language change to the ordinance is included in File # 230522. It is recommended that the attached ordinance change be approved.

Sincerely,

Nicole M Fleck
