To the Public Works Committee

Subject: Common Council Resolution File Number 130549

Dear Honorable Members:

Returned herewith is Common Council Resolution File Number 130549, being a resolution to amend a special privilege for change of ownership to JMH 61 LLC and addition of a covered walk for the premises at 1028-1134 North Jackson Street.

Juneau Village I had requested permission to keep and maintain two bollards in the west sidewalk area of North Van Buren Street in order to protect the masonry wall surrounding the parking lot at the subject premise. Permission for said bollards was granted in 1991 under Common Council Resolution File Number 910037. The applicant is currently requesting permission to install and maintain a covered walk in the east sidewalk area of North Jackson Street.

We are not aware that the presence items have had or will have an adverse effect on the general use of the public right-of-way. We have, therefore, prepared the attached special privilege resolution, which, if adopted, will change the name of the owner and will allow said items to occupy the public right-of-way.

Very truly yours,

Jeffrey S. Polenske, P.E.
City Engineer
