I checked these addresses in our database and we have no open lead issues with any of them. Always a good way to start of the wonderful season of "in-rems". Dare I say it's almost as much fun as road construction season!.

*(Sing it with me, please!)*

*Unfortunately, in this case, "that time of year" is, sadly, return of in-rem properties time.*

*Here are the first 5. The file number is the document name.*

*Enjoy -- I know I always do!*
