C.I. File No. 04-L-66

Dear Council Members:

We return the enclosed document which has been filed with the City Clerk and ask that it be introduced and referred to the Committee on Judiciary & Legislation with the following recommendation.

Claimant, Tracy Merriett, 2107 West Villard Avenue, Milwaukee, WI 53209, alleges that on May 14, 2004 she sustained damages when a City sewer backed-up into her basement. She claims damages in the amount of \$9,300.81.

Our investigation reveals that the Infrastructure Services Division records indicate that they investigated a backwater at 2107 West Villard Avenue on May 14, 2004 and found the Milwaukee Metropolitan Sewerage District's interceptor sewer to be surcharged causing the City main sanitary sewer to backup into the basement.
