Re: 2134 N. Terrace Avenue for Michael and Cathy White

Dear Randy:

Further to the letter of support my mom wrote on June 13, 2011, I am writing on behalf of Back Bay Investments, owner of 2330 and 2344 E Back Bay to express our support for the addition to 2134 N. Terrace-the northeast corner of Back Bay and Terrace Ave.

We have reviewed their plans and feel that the project would be a tasteful and appropriate improvement of this wonderful cream city brick house. Further we are confident that The Whites and the Oplingers will pursue all efforts to make this remodel consistent with the character of the house and are delighted that they are taking such efforts to invest in the house which we believe will benefit the entire neighborhood and community.
