To the Honorable Members of the  
Zoning, Neighborhoods and Development Committee  
City of Milwaukee  
City Hall, Room 301-B

Dear Committee Members:

File Number 251606 relates to the change in zoning from Single-Family Residential, RS2, to Multi-Family Residential, RM3, for the property located at 11919 West Bradley Road, to allow multi-family residential development on a portion of the site located on the south side of West Bradley Road, east of North 124th Street, in the 9th Aldermanic District.

The subject site is currently occupied by Kingdom Faith Fellowship Church. The applicant, Scott Crawford, Inc., is requesting rezoning of the site to RM3 to allow construction of 100 senior housing units in townhouse-style flat buildings adjacent to the church. The development would be required to comply with the RM3 zoning standards.

A public hearing was held on Monday, April 27, 2026 at the regularly scheduled City Plan Commission meeting. Representatives from Kingdom Faith Fellowship Church and Scott Crawford, Inc. answered questions regarding the proposal. Alderwoman Taylor spoke in favor of the file. At the closing of the public hearing, the City Plan Commission recommended approval of the subject file.

Sincerely,

for

Lafayette L. Crump  
Executive Secretary  
City Plan Commission of Milwaukee

CC: Ald. Taylor
