

Ms. Polanco, please see my statement regarding Ms. Griselda Aldrete:

Without hesitation or compunction, on this day, I go on record to state that during my brief tenure as City Attorney, Ms. Griselda Aldrete has been responsive and receptive to my inquiries as well as requests made of her by this office. While considering Ms. Aldrete on the merits of her performance, please take into consideration her willingness to work with the City Attorney's Office.

Thank you.
