LICENSE PREMISE REPORT

Terrell, James L 029828

08/25/2022

This report is written by PO James TERRELL, assigned to District Five Late Power Shift, Squad 5468 with PO Nora BURLO.

On Thursday, August 18, 2022, at approximately 10:30PM, I conducted a license premise check at 502 W Garfield Ave (Garfield 502 LLC), which is located in the City and County of Milwaukee. PO BURLO and I, were assigned to the concert event at the location. The concert was to be held every Thursday, with August 25, 2022 being the last Thursday of the summer which the event was to be held.

Earlier in the summer, PO BURLO and I, were informed that the event was titled "Poetry Night" and the location received a permit to hold the event.

When I first patrolled the event I used my digital counter and counted approximately 800 patrons inside of the barricades at the event. It should be noted that I was unable to count every patron at the location and I estimate at least a couple (two) hundred more patrons at the event. The number of patrons at this event greatly exceeded the number of participants on the application for this event permit. Each week PO BURLO and I, in addition to other City of Milwaukee police officers observed the number of participants to increase. Due to the high number of participants, I observed the northern and southern city blocks of W North Ave filled with parked vehicles. I observed numerous vehicles to block driveways, park past stops signs causing the sidewalks to be blocked, and park in private lots. In order to deter these issues, officers and the city of Milwaukee Parking Enforcement issued numerous parking citations. In addition, numerous attendees vehicles were towed from private lots in the approximate area. I also observed numerous vehicles blocking traffic traveling on the round way on N 5th St and N 6th St. Due to the heavy traffic brought by this event, on numerous occasions I observed vehicles nearly strike civilians

who were crossing the street. I observed barricades board N 5th St to N 6th St on W Garfield Ave. I additionally observed at least 100 plus patrons on the outside of the barricades. At the event I did observe multiple armed security guards. I observed the security guards to check identification cards and to check purses and bags of the patrons who entered inside of the barricade borders. I also observed numerous patrons leaving from the inside of the location or from the inside of the barricades, to the outside of the barricades and consume their alcoholic beverages. On August 18, 2022, in addition to many other Thursdays when the event was held, I patrolled the event I found the patron numbers to stay consistently high and in excess of the permitted number, as the summer of 2022 continued. I observed numerous subjects to have lawns chairs posted on private residence properties on N 5th St and on W Garfield Ave in order to view the live concert/Disc Jockey at the location.

On multiple occasions I observed the concert music to continue to approximately 9:30PM. The event is scheduled to end at 9:00PM per the application. As security attempted to clear the streets between N 5th St and N 6th St, I observed the patrons to stand outside of the barricades and continue to stand on the sidewalks and flood onto the street. This primarily took place on N 5th St. On N 5th St, I observed numerous motorcycles, three wheel motor vehicles, and automobiles play very loud music. The music could be heard from over a city block away and continued to approximately 10:45PM-11:00PM. Due to the patrons who attended this event staying in the approximate area playing loud music, a good portion of the event attendees lingered in the streets and continued to drink and even smoke suspected marijuana. I suspect marijuana was being smoked by the odor I detected based off my training and experiences as a Milwaukee Police Officer and having numerous narcotic arrest. At the end of the event I observed W Garfield Ave to have an excessive amount of trash, including plastic and glass bottles in the street. I observed very few garbage containers which were over filled and no recycling containers. At the end of the event I did observe staff members picking up the trash.

While conducting a check of the premise I spoke with subject identified as **Daniel CURRI (M/B, DOB 05/23/2002) (No Bart license in system located)** who stated he is the owner of the location's son and works as a bartender. CURRIE was cooperative and stated he works at the location daily from 4:00PM until close. I spoke with subject identified as **Darrel JONES (M/B, DOB 09/04/1966) (BART-21-01210)** who stated he is the bar manager at the location and works Monday through Saturday, 12:00 PM until 12:00 AM. I spoke with subject identified as **Tiffany TANNHAEUSER (F/B, DOB 07/23/1989)** who stated she works at the location as a waitress two days a week 7:00 PM until close. I spoke with subject identified as **Tajiddin THOMAS (M/B, DOB 12/30/1978)** who stated he is the security guard supervisor. I observed THOMAS to be armed. THOMAS stated five of his security guards are armed and three are unarmed with a total of eight security guards working the Thursday events.

Subject: 502 Thursday nights

Alderwoman Coggs

I honestly hate to be the one complaining about our neighborhood bar but I have tried to be accommodating to these Thursday night jamborees at 502 but they keep larger and larger and those attending are getting bolder and bolder in fringing onto our (or my personal space).

I've had to weekly argue with people parking across or partially across my driveway. When I bring it up to 502 staff they will announce it and vehicles will move only to have us (my 84 yr old mom and I) to physically have to sit outside to keep drivers clear. A number of times folks have offered money when I ask them to not block but I've never accepted this offer.

I'm not saying me nor some of my family and friends haven't partaken in these Thursday nights occasionally (sitting on my upper deck) but the constant convergence of hundreds of people is overwhelming.

I had to ask people off my front yard space including the walkway leading to my front door. Last night while up on my deck some guy didn't notice me and decided it was okay to relieve himself in my hostas near the front of my house. He cut it short and apologized once I yelled at him. I had to ask motorcyclists to get off my sidewalk (they commonly use 502 sidewalk so they thought it was okay to do the same across the street apparently).

I've included _____ in this email because cars and trucks have been squeezing through her gates to have access to her parking lot which gets full on Thursday nights. I'm sorry but these events get larger each week.

Directly across from me on the northeast corner a group bought their own 8 ft table and set up liquor bottles and a hookah and stayed there all evening so as stated previously it is moving beyond the borders of 502.

Attached is several photos and you can see hundreds are gathered. This is weekly and is getting too huge in my perspective.

I'm not sure what is the solution as Mr Currie does his best to control the situation but he can't control the traffic nor those events that occur beyond his barriers that are erected.

Respectfully submitted,
