Re: CCFN 131625

Dear Ms. Stewart,

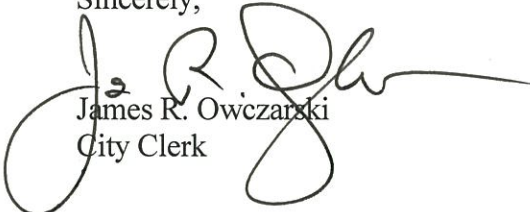

I am in receipt of your undated letter received by my office on April 15, 2014, relating to the above-referenced council file number.

As you are likely aware, this claim was disallowed and indefinitely postponed by the Common Council at its meeting on April 2, 2014, following the earlier recommendation of the Judiciary and Legislation Committee.

Given the council's action, there is no further redress that my office can offer you.

Should you have further questions, please feel free to contact me at the address given below.

Sincerely,

James R. Owczarski
City Clerk
