**Subject:** OBJECTION: New License Application for Corner Liquor/Rajbur S. Bhullar, Agt. Bhullar Corp (3500 N. Port Washington Ave.)

Dear Licensing Department,

My name is \_\_\_\_\_; I own and live

\_\_\_\_\_ the business in question, Corner Liquor at 3500 N. Port Washington Ave., Milwaukee, WI 53212. I am submitting an additional objection to the renewal and/or new license application for the subject owner, Rajbur S. Bhullar, Agt. Bhullar Corp. The first being during the November 2019 license hearing.

I have previously expressed a number of concerns regarding the renewal of the liquor sales license of the business in question, which continue to be pervasive

I will start with the liquor store's blatant disregard for this committee and the operation plan they amended and put forth at the last renewal hearing. At that time they were instructed and agreed to construct a fence around its dumpster, as well as the northern part of their property and the small parcel of land to the east of the main structure to be a barrier to the persistent debris and litter that overtakes my property. The construction of this fence surrounding the dumpster never occurred and the property line fence wasn't erected until last week, once notices went out that the renewal of the license had come around again. Due to the business owners reluctance to adhere to the direction of this committee, I and my neighbors have been subjected to more debris being blown from the business in question even into my gutters. We have been subjected to more to-go bags, bottles, snack wrappings, packaging boxes, etc. Tires have even been dumped onto my property after being left on the liquor store's lot. Further, I and my property have been subject to liquor store patrons' public drug use, urination, and vandalism. I've caught people literally urinating on my business' entrance doors after departing the liquor store.

With the current state of our city in the throes of a pandemic, it has never before been more important for a business to become a contributing member to the community and further, make sure they maintain a clean and sanitary area, to mitigate the transfer of harmful contagions. Instead Corner Liquor has exhibited a flippant attitude towards the community and me, as a neighbor and fellow business owner. When I have tried to speak with the owners regarding these and other issues including the behavior of their patrons, I was met with a racist

response. In that response the owner shouted and I quote “ Those are your people!” I was shocked for a business that makes so much money off of our community to refer to their customers with such disdain. No wonder they do not hold their customers to a high level of decorum; they simply don’t expect it from them nor do they provide respect.

I would hope these are not the type of business owners the city would want representing them via this license to the citizenry or visitors.

Thank you for your time and I look forward to your decision in this matter.
