Hello Zoning Committee Members,

I am writing today to register my strong support of the St Marks Apartment building. I live at 2591 N Summit Ave. The building will be in my line of sight from my bedroom and office. I believe this is a great use of land, is fitting with the form and character of the neighborhood, and that the additional housing units will be a great benefit to the community. I have no concerns about increased traffic or a zoning change.

Thank you for your consideration,
Chris Sanger
