Re: Reappointment of DCD Commissioner Rocky Marcoux

As a committed leader in the union construction industry that represents 19,000 skilled trades men and women, I understand the importance of establishing and maintaining partnerships that best benefit the communities in which we live and work. That is why I'd like to endorse Rocky Marcoux for Commissioner of Milwaukee's Department of City Development. Rocky's efforts to uplift our city by encouraging new development are creating a community that Milwaukee can be proud of while also providing training opportunities and family-supporting careers for its residents.

Rocky has been a phenomenal partner to the construction and labor industry. I respectfully ask that the Common Council approve his reappointment so we can move forward with new ideas and current development within the City of Milwaukee.

Sincerely,

Dan Bukiewicz
President
