License Premise Report

Buchner, Bowie W 018929

01/30/2019

This report was written by P.O. Bowie Buchner, assigned to district seven, early power shift.

On Wednesday January 16, 2019 I responded with agents from the Wisconsin Department of Revenue to conduct a check at Kool Petroleum, located at 3381 N. 35th St. Upon arrival we spoke with Baljinder SINGH, who was the clerk working at the time of the inspection. SINGH was very cooperative with officers and agents on scene. During the inspection liquor was found in the area behind the counter. Two sealed bottles of liquor, one sealed bottle of wine, and one opened bottle of liquor was found. The opened bottle was also missing some of the liquor inside the bottle. When asked SINGH stated that all the liquor belonged to one of the employees, who was not on scene. SINGH explained that this employee's wife does not allow him to drink or keep alcohol in the house. Therefore, the employee keeps his liquor at the store and will sometimes drink after his shift. It was explained to SINGH that this location does not have a liquor license and can not sell liquor. SINGH stated that they did not sell liquor and again said it belonged to one of the employees for personal use. Agents also discovered quest cards behind the counter. When asked SINGH stated that those were cards that had been left by customers. Agents advised SINGH that the employees cannot keep individuals cards at the store. Lastly, a an opened pack of cigarettes with some missing from the pack was located behind the counter. When asked about the cigarettes SINGH stated that they belonged to an employee that was not at the store at the time. SINGH also stated that they never sell single cigarettes. Agents seized the alcohol and advised SINGH that citations may be issued regarding the selling of alcohol or the selling of single cigarettes.
