

THESE ARE THE FACES OF FAIR TRADE.

Pictured is Shoshi visiting her mother, Alo Ghorami, at the YWCA Craft Center in Dhaka, Bangladesh, where Alo sews and embroiders tapestries and receives a fair wage for her work.

Fair Trade is about granting others what you would want for yourself.

Anything less wouldn't be fair.

FAIR TRADE
RESOURCE NETWORK

education and discussion to make trade fair
fairtrade.org

A portion of sponsorship funds will be used to fund a scholarship for a child to attend Shoshi's school.
